

OPENING A NEW WORLD FROM THE CLASSROOM PROJECT

About this project

This project was launched in 2023 by Hiroshima Prefectural Board of Education (Hiroshima BOE) in JAPAN to enable schools in Hiroshima to have online joint English classes with overseas schools. This project gives students opportunities to communicate with overseas students around their age by using English as a communication tool and fosters students' motivation to learn English and about other cultures.

Participation requirements

- ✓ Must be a middle school (Age 12-15) English class(es)
- ✓ Must be able to do online joint English classes by using web meeting tools (ex. Zoom, Google Meet, etc.)

How to join

- Please contact the Educational Division in your country / region that is in charge of this project.
- Hiroshima BOE will arrange a junior high school in Hiroshima upon your school's size and needs.
